

Top Wire Management *RR19TM Series*

Note: This product line has been discontinued as a stocked series. Information is for reference only. It has been replaced with **CL Series**. For alternative solution assistance, **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

Features

- 16 gauge steel construction.
- Usable with an infinite combination and number of ganged or single relay racks.
- The top of the cable manager contains square knockouts (one shown knocked out in the photo below) for use with vertical cable manager extensions.
- Compatible with 6" wide vertical cable managers only
- Hinged access door with magnetic catches to keep wires neat and easy to access.
- Use any combination of joining kits or end panels (see below) to fit your needs.
- Finished in textured RAL9005 black powder paint finish.
- TAA-compliant for GSA Schedule purchases.
- RoHS and REACH are compliant.
- Manufactured in North America.

If you want a simpler option, look at the **WCTTM** Top of Open Frame Rack Waterfall or our Cable Ladder Rack **CL Series**.
