

## Clear Polycarbonate Lids For 1554/1555 Series *1554-1555LID Series*

### Key Features:

- Replacement lids for 1554 and 1555 series enclosures.
  - NOTE: Replacement clear lids are not styled like standard 1555 lids, but are compatible with 1555 bases.
- When installed properly in conjunction with screws and gasket, lids are designed to meet NEMA Type 4, 4X, 6, 6P, 12 & 13 ratings which meet and exceed IP ratings up to and including IP68. (Except 1554/55 V size which is 4, 4X only.)
- Polycarbonate material is UV stabilized for outdoor use. Clear lids carry a UL94V-0 rating.
- Recommended operating temperature: -40°C to +110°C (-40°F to +230°F).
  - Customers should conduct their own testing to determine suitability for any specific application.
- **Some chemicals can damage or weaken plastic. Please read our Chemical Resistance Statement under Downloads for more information.**
- **Replacement lids do not include screws or gaskets.** Please see **1554 Series** or **1555 Series** pages for compatible accessories.

### Lid Compatibility

| Clear Lid | Compatible 1554,<br>1555 Sizes | Lid Length | Lid Width | Lid Height |
|-----------|--------------------------------|------------|-----------|------------|
| 1554ACL   | A                              | 52         | 50        | 15         |
| 1554BCL   | B                              | 65         | 65        | 15         |
| 1554CCL   | C, D                           | 120        | 65        | 15         |
| 1554ECL   | E, EE                          | 90         | 90        | 15         |
| 1554FCL   | F, FL, G                       | 120        | 90        | 15         |
| 1554HCL   | H, HL, T                       | 180        | 120       | 15         |
| 1554JCL   | J, JL, K                       | 160        | 90        | 15         |
| 1554LCL   | L, LA                          | 105        | 105       | 15         |
| 1554NCL   | N, NL, P                       | 120        | 120       | 15         |
| 1554QCL   | Q, QA                          | 140        | 140       | 15         |
| 1554RCL   | R, RL, S                       | 160        | 160       | 15         |
| 1554UCL   | U, UL, UA                      | 200        | 120       | 15         |
| 1554VCL   | V                              | 240        | 160       | 20         |
| 1554VACL  | VA, VAL, VB                    | 240        | 160       | 20         |
| 1554WCL   | W, WA                          | 180        | 180       | 15         |
| 1554XCL   | X                              | 299        | 220       | 20         |
| 1554XACL  | XA                             | 299        | 220       | 50         |
| 1554YCL   | Y                              | 299        | 240       | 25         |
| 1554YACL  | YA                             | 299        | 240       | 50         |
