Landscape/Portrait Kiosk

FITS MOST 15", 22", OR 32" DISPLAYS

Experience the elegance of Peerless-AV's indoor kiosk, designed to support the latest digital signage displays in either landscape or portrait orientation. With a flat base that can be free-standing or bolted to the ground, the kiosk allows for quick access to electric and data cables, making it easy to install and maintain. For theft protection, the kiosk features hex pin screw locks on the rear door. From entertaining to wayfinding, the Landscape/Portrait Kiosk is an ideal solution for any indoor application setting, including hospitality, retail, corporate, and more.

- Designed, manufactured and assembled in the USA
- 15° fixed tilt provides an optimal viewing angle for user interface
- Internal storage provides a secure space for media players and other components
- Offered in gloss black or silver, with ample space to add a custom decal logo for maximum brand visibility
- Six outlet, UL- and cUL-approved surge suppressor with 6' cord to protect voltage-sensitive components from damaging power surges

**For portrait installations, the VESA® pattern must be centered on the back of the display. If the pattern is off-center, the display will be offset to the left or right.*
