

Base Product

2-Port Directional H/V MIMO Antenna for the T350SE

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Product Type	Antenna
Product Brand	RUCKUS®

General Specifications

Application	Long range backhaul /PtP/PtMP Non-Root
Antenna Gain	11 dBi/10.5 dBi
Polarization	Vertical & Horizontal
Bandwidth H/V @ 3 dB	31-33/31-27 degrees
Connector Location	Two N-type located at the back of the unit. No cable included
IP Rating	IP-67
Mounting	Wall/Pole Mount, mounting kit included
Wi-Fi Band	5 GHz 2.4 GHz

Dimensions

System Dimensions	305 mm × 305 mm × 25 mm
-------------------	-------------------------

Environmental Specifications

Operating Temperature	-55 °C to +71 °C (-67 °F to +160 °F)
-----------------------	--------------------------------------

Packaging and Weights

Weight, net	1200 g 2.646 lb
-------------	-------------------
