

Linea Pro™ Rugged Flex Case (LPR)

Quick Start Guide

For LPR and iOS® 12 | 13 | 14

Assemble LPR & iPhone With Flex Case

The flex case integrates iPhone 12, 13, 14 with the Linea Pro Rugged (LPR) for customer facing operations.

1. Position the LPR charging port to align with the opening on the flex case, and then gently insert the LPR into the flex case.
2. Slide LPR and iPhone into the case until it is seated securely.

Installing the Hand Strap

1. Thread the hand strap through the flex case, as shown below.
2. Ensure the strap is secure.
3. Fold the end of the strap into the slot.

Product Returns

Use the link in step 1 to create an account and gain access to our Knowledge Base and online support services. Through our online support center, you'll be able to download files, open a Support Ticket, manage your RMAs, view your account Profile and subscribe to Alerts.

To request a RMA

1. Create a user account in the RMA Support portal at: <https://ipcmobile.com/support>
2. Log-in to your user account, and then click Create RMA Request.
3. Read the instructions provided and complete the online request form.
4. Note the assigned RMA number and write it clearly on your shipping carton.
5. Ship your equipment to us using the address provided.

Additional Information

Contact your IPCMobile sales representative for technical specifications and additional product documentation. For current and future offerings, visit our website, <https://ipcmobile.com/devices> or contact your IPCMobile account representative for complete details.

Note

The iOS devices and any other additional items shown may not be included.
